BALANCING (GENDER ROLE / EXPERIENCE LEVEL)

We will do our best to create a weekend in which everyone has a chance to dance their chosen role and which focuses on the needs of new and intermediate dancers. With these goals in mind, we will role balance and experience balance. That means that priority will be given to applications that fill open spaces. Please identify the role interest and experience level that most represents your interest for the weekend.

Dance Role:

- I plan to dance as a “lady”.
- I plan to dance as a “gent”.
- I plan to dance both roles and am happy to do either one, depending on the needs of the group.

Experience Level: (Based on the role you plan to dance)

- (Frosh) I’m brand new or nearly brand new. I feel very unsure about contra dance.
- (Sophomores) I’ve been to a few dances and have a general sense of what to do, but there is a lot I need to learn to feel comfortable.
- (Juniors) I would classify myself as intermediate. I know all the basics, and can usually be in the right place at the right time, but still don’t feel like an experienced dancer.
- (Seniors) I am a very experienced dancer and generally feel comfortable with whatever is called.

FOOD

Meals are designed so as to provide options for vegetarians and gluten-free or dairy-free eaters. If you have any other dietary requirements, please tell us about them. We will do our best to accommodate your needs.
