Join us for an *incredible* weekend of dance, music, and fun among the coastal redwoods. We have three full program tracks of workshops: one for Contra dancers, one for English dancers, and a full track for singers and musicians. We mix things up in the evening with so much excitement and energy, that no matter what your genre preference, you can't help but enjoy yourself. Whether you want to immerse yourself in one single dance or music style, or embrace them all, you'll be assured of a rollicking good time.

At Spring Fever's all-inclusive residential camp, your registration fee pays for everything: food, lodging, music, dancing, teaching, hiking trails, idyllic surroundings, and as much fun as you can handle. Coming from out of town? Let us know to arrange transport from and back to the airport. Scholarships are available for young people (30 and under) and for those with limited income.
