

PALO ALTO CONTRA DANCE
MAY 11, 2013
COMMUNITY BAND NIGHT

BEGINNER LESSON AT 7:30 PM
DANCE STARTS AT 8:00 PM

With new sets and a fresh sound, the **Palo Alto Community Contra Dance Band** is ready to take the stage again. Playing from a wide variety of folk genres—including bluegrass, New England, old-time, and Irish—the Palo Alto Community Contra Dance Band provides dancers with **lively melodies and groovy rhythms**. We have lots of local and experienced talent, which makes for a completely unique and highly energetic dance. Come dance to our music!

Folk Musicians Wanted!

If you play a traditional folk instrument and want to experience playing for a live contra dance, why don't you come join the band! We practice on a semi-regular basis in Palo Alto and welcome both newer and more experienced musicians. It's a great opportunity to learn about putting together a contra dance band, as well as how to play for a dance!
