*Captivating, passionate, propulsive and progressive are what best define the music of this power duo, perched at the convergence of traditional and electronic dance music. Perpetual e-Motion integrates technical and sonic innovations with old school traditions to create an enormous sound full momentum and groove. Lauded as a two man orchestra, this duo continues to innovate the art of traditional dance music through their use of sound sculpting and multitasking, captivating listeners and dancers with their infectious and unique sound.*

## Susan Petrick will be our caller!

Her exceptionally clear teaching, expert pacing, and gracious manner make even complex dances accessible to all. Susan travels and calls at weekends and festivals throughout the country, in addition to up and down the West Coast.*
