Dance whichever role you want with whomever you want!

Fun! Friendly! Easy to learn! Come alone or with friends. No need to come with a partner. Anyone can (and does) ask *anyone* to dance. You and your partner (of the moment) dance with every other couple in your line, and we change partners after each dance.

There's a caller to explain the moves and prompt you. It's all about moving to the music, tracing out figures with your neighbors, swinging, spinning, smiling and having a great time!
