**Please Volunteer!**

*The Fall Ball is a community dance. What makes it work is the donated time, energy, and efforts of members of the dance community who help create the ball each year. We welcome assistance with many kinds of tasks. Some tasks occur before the Ball; others the day of, during, or after the Ball.*

*Why not [contact us by email](#) and see what might be right for you? You'll be giving something back to the dance community.*
