

BACDS Family Week Benefit Contra

Sunday, April 10, 4pm to 7pm
Hill & Valley Club, 1808 B St, Hayward

Why a benefit for a dance camp? Family Week is moving to Monte Toyon for this year only, and while it's closer, the facility will be a lot more expensive than our usual home in Sonora. Come join us for a great evening of family dances and contras as a benefit to help cover costs.

Calling will be Mavis McGaugh, a wonderful longtime local contradance caller. She'll teach you all you need to know to have a blast.

The band will be The Guppies (Kathrine Gardner, Jim Oakden, and Craig Johnson), whose toe-tapping repertoire can be wildly eclectic but is always great to dance to.

During break, we'll have a special raffle, as well as a display dance performance and refreshments.

Admission is a sliding scale, \$15 general, \$5 kids & teens, or whatever you can give (remember, it's a benefit).
