Rodney Miller, designated a "Master Fiddler" by the National Endowment for the Arts, is not only widely considered to be the foremost exponent of New England style fiddling, he has also been at the leading edge of bringing new influences into the contra medium, beginning with his rock and roll infusions on the seminal recording *Airplang*. Owen plays in a number of popular New England bands, including *Riptide*.

George Marshall, probably the best known caller in the contra world, never disappoints.

*Contra dancing is Fun! Friendly! Easy to learn! All ages!*

*Come alone or with friends. No need to come with a partner. Anyone can (and does) ask anyone to dance. You and your partner (of the moment) dance with every other couple in your line, and we change partners after each dance.*

*There's a caller to explain the moves and prompt you. It's all about moving to the music, tracing out figures with your neighbors, swinging, spinning, smiling and having a great time!*
