

Benefit English Dance for Fiddler Avis Minger

Wednesday, Sept. 28, 2016
8-10:30 PM; Beginner lesson at 7:30 PM
Christ Church Berkeley, 2138 Cedar St.

Avis's Story:

In addition to being a teacher, an animal trainer and advocate, Avis has been a stellar presence on the music and dance scene for many years, adding her lively and lovely fiddling to Morris Dancing, Dickens Faire, Renaissance Faire, and our own Berkeley Wednesday English dances. She is currently gravely ill with cancer and staying in a care home.

She is facing significant medical bills for her round-the-clock care. This benefit dance will feature a silent auction of some of her things, including books (she worked at Cody's Books for many years). For more information:
