English Country Dance is the ancestor of contra dancing, cousin to Scottish Country Dance, and like both, is community dancing—you dance with your partner, and with everyone else in your set. All dances are taught, no experience is required, and you don't need to bring a partner—traditionally, one changes partners after every dance. We always dance to live music, a gorgeous repertoire ranging from music of the mid-17th century to modern-day compositions. Bring your dancing shoes! Doors open at 7:15 pm.

Planning ahead? Winter 2017's dances will be January 14, February 11, and March 11.

Sponsored by the Bay Area Country Dance Society, which sponsors nearly 300 events a year.
